

projectile motion phet free online physics chemistry - blast a car out of a cannon and challenge yourself to hit a target learn about projectile motion by firing various objects set parameters such as angle initial speed and mass explore vector representations and add air resistance to investigate the factors that influence drag, **phet projectile motion projectile motion motion** - explain common projectile motion terms in their own words launch angle initial speed initial height range final height time describe why using the simulation is a good method for studying projectiles, **projectile motion angle initial speed mass phet** - blast a buick out of a cannon learn about projectile motion by firing various objects set the angle initial speed and mass add air resistance make a game out of this simulation by trying to hit a target, **projectile motion gravity velocity air resistance phet** - blast a buick out of a cannon learn about projectile motion by firing various objects set the angle initial speed and mass add air resistance make a game out of this simulation by trying to hit a target, **phet simulation projectile motion resources for physics** - in this simulation students can fire various objects out of a cannon including a golf ball football pumpkin human being a piano and a car by manipulating angle initial speed mass and air resistance concepts of projectile motion come to
